

iPad INFORMATION
STUDENTS YEARS 1 – 6
2017

Dear Parents and Guardians

To prepare for the start of 2017 we ask that you purchase the following:

- iPad - we suggest the Wi-Fi model which does not need 3G capabilities
- 32GB Storage
- iPad Cover / Case (Highly recommended)
- Apple Care (Insurance and repair of the iPad remains the responsibility of the parents.)

Please visit the College Website www.stbrigids.wa.edu.au/enrolments/ictstore.php to access information and specifications, you can order online if you so choose, or make your own purchase elsewhere.

Many families already have iPads at home that meet the specifications listed above and there is no need to purchase new iPads.

Should any families be experiencing difficulty in purchasing an iPad please contact our Director of Business, Mr Neil Grime on (08) 9290 4203 for assistance.

At the start of the New Year we will hold a series of Workshops to inform parents about the implementation and application into classrooms. We will also assist parents with Parental Controls to ensure continued appropriate use at home.

Please don't hesitate to contact us should you require further information about the iPad Programme.

Yours sincerely

Nicola Lee

Head of Junior School
